- [Register to Vote](#)- You will be able to register to vote at the polls on Election Day with proper documentation
- [Sample Ballot](#)- Sample ballots are available for viewing online
- [Absentee Voting](#)- In person absentee voting is taking place at City Hall through Friday, March 29th from 8am-4:30pm. There are extended hours on Friday, March 29th to 5pm.

In last week's e-newsletter we shared

that the City would be piloting the use of e-poll books at one location. That will not be taking place for this election. The State Election Commission rolled out a software update that caused the e-poll books system to become unusable. Unfortunately, there is not enough time before the election to fix the concerns. The State is working to have a stable solution for future elections.
